RAPPORT

DU

GREFFIER DE LA COURONNE EN CHANCELLERIE

OFFICE OF THE CLERK OF THE CROWN IN CHANCERY FOR CANADA.

OTTAWA, May 15th, 1905.

To the Right Honourable
Sir WILFRID LAURIER, G.C.M.G.,
Prime Minister and President of the Privy Council.

SIR,—I have the honour to submit my report on the tenth general election. The Proclamation authorizing the issue of Writs was dated September 29th, 1904, and signed by His Excellency the Earl of Minto, Governor General. The Writs dated the same day were made returnable on December 15th, and the nomination of candidates was fixed for October 27th.

On the whole, the work of the election, so far as this office is concerned, was carried out with less difficulty than in 1900, partly owing to the fact that no new legislation was introduced prior to the elections, necessitating a complete change in all the forms supplied to the Returning Officers, as was the case in 1900. From all reports received, the same remark would also apply to the work outside.

The modified form of ballot which I had the honour to recommend in my report for 1901, was used in this election, and a decrease of over 20% in the rejected ballots, fully carried out my expectations in the matter.

Here are the totals for both elections :

	Rejected Ballots.	Elections by Acclamation or Equivalent.
General Election..... 1900	7,718	5
" " 1904	6,090	4

Further on will be found a detailed statement by constituencies of votes polled, rejected and spoilt ballots, and number of polling stations, while the totals by Provinces are given here :

BUREAU DU GREFFIER DE LA COURONNE EN CHANCELLERIE, CANADA.

OTTAWA, 15 mai 1905.

Au Très-Honorable
Sir WILFRID LAURIER, G. C. M. G.,
Premier ministre et président du Conseil Privé.

MONSIEUR,—J'ai l'honneur de vous présenter mon rapport sur la dixième élection générale. La proclamation autorisant l'émission des brefs portait la date du 29 septembre 1904 et était signée par Son Excellence le gouverneur général, comte de Minto. Les brefs en date du même jour étaient rapportables le 15 décembre et fixaient la présentation des candidats au 27 octobre.

Somme toute, le travail de l'élection, en ce qui concerne ce bureau, a été moins difficile à accomplir qu'en 1900, grâce en partie à ce qu'il n'a été présenté, avant les élections, aucune nouvelle législation nécessitant un changement complet de toutes les formules fournies aux officiers-rapporteurs, comme la chose avait eu lieu cette année-là. D'après tous les rapports reçus, la même remarque s'appliquerait également au travail fait en dehors.

Dans cette élection on s'est servi du bulletin de vote en la forme modifiée que j'avais eu l'honneur de recommander dans mon rapport de 1901, et la diminution de plus de 20 pour 100 dans le nombre des bulletins rejetés a pleinement répondu à mon attente.

Suivent les totaux pour les deux élections :

	Bulletins rejetés.	Elections. par acclamation ou l'équivalent
Elections générales de 1900	7,718	5
" " de 1904	6,090	4

Plus bas se trouve un état détaillé des bulletins de vote enregistrés, rejetés et gâtés, par comtés, ainsi que du nombre des bureaux de votation ; tandis que les totaux par provinces sont les suivants :

Province.	Bulletins de vote enregistrés.	Bulletins de vote rejetés.	Bulletins de vote gâtés.	Nombre de bureaux de votation.
Ontario.....	444,277	1,787	2,084	3,95

Totaux	1,030,186	6,090	5,757	9,576

4-5 EDWARD VII., A. 1905

In 1900 the total vote polled was 952,496, and in the last election it was 1,030,186, showing an increase of 67,690.

There were no contests in Gaspé, L'Assomption, Dauphin and Comox-Atlin, and recounts were held in London, Wentworth, Montmagny and Provencher.

In the case of the Richelieu Election, the Returning Officer left Sorel on his way to Ottawa with the Writ and other papers that should accompany same. I am informed he reached Montreal, but no trace of him could be found after that. His papers were also lost for a time, but subsequently found lying in one of the streets of that city and forwarded to me.

Further on will be found a list of Returning Officers and an index to the different Electoral Districts.

At the end of the book, as an appendix, I have included a report of the By Elections held during the ninth Parliament. These figures, though often enquired for, were never published before, so that no record can be found of any By Election held prior to 1900, which has proved both inconvenient and regrettable. This want will no longer be felt, as it is intended for the future to publish these returns.

I have the honour to be,

Sir,

Your obedient servant,

H. G. LAMOTHE,

Clerk of the Crown in Chancery for Canada

SESSIONAL PAPER No. 37

En 1900 le vote total enregistré a été de 952,496, et à la dernière élection, de 1,030,186, soit une augmentation de 67,690.

Il n'y a pas eu de lutte électorale dans Gaspé, L'Assomption, Dauphin et Comox Atlin, et des recensements ont été faits dans les districts électoraux de London, Wentworth, Montmagny et Provencher.

Dans le cas de l'élection de Richelieu, l'officier-rapporteur a quitté Sorel à destination d'Ottawa emportant avec lui le bref d'élection et les autres documents s'y rattachant. On m'apprend qu'il s'est rendu à Montréal, mais qu'il est ensuite disparu sans laisser aucune trace. Les documents en sa possession ont été aussi égarés pendant quelque temps mais retrouvés par la suite dans l'une des rues de la ville et envoyés à mon bureau.

On trouvera plus loin une liste des officiers-rapporteurs ainsi qu'un index des différents districts électoraux.

J'inclus sous forme d'annexe à la fin du volume, un rapport des élections partielles tenues dans le cours du neuvième parlement. Ces chiffres que l'on me demande souvent n'ont jamais été publiés auparavant, en sorte qu'on ne peut trouver aucune note de toute élection partielle ayant eu lieu avant 1900, ce qui est à la fois incommode et regrettable. Cette lacune sera maintenant remplie, car c'est l'intention de publier à l'avenir ces relevés.

J'ai l'honneur d'être,

Monsieur,

Votre obéissant serviteur,

H. G. LAMOTHE,

Greffier de la Couronne en chancellerie, Canada.
